MONTHLY NEWSLETTER - (October - 2026)

Crayon Colouring Competition (KG) - 08.10.26

Little hands, big creativity! Our young artists brought their imagination to life with vibrant colours and beautiful artwork during the Crayon Colouring Competition. Every picture was a masterpiece filled with joy, creativity, and enthusiasm!

Students' Creative Expo - 09.10.26

The students' expo showcased creative works in Art, Craft, Photography, Fashion, and Robotics, developed during June, July, and August. Students enthusiastically explored and celebrated their own creations and achievements.

Family Picture Day (KG) - 14.10.26

Kindergarten kids brought beautiful family pictures and introduced their family members with great confidence. They spoke about mother, father, siblings , and grandparents .

Dr.A.P.J. Abdul Kalam's Birthday (KG) - 15.10.26

On account of Dr. Kalam's Birthday (Oct 15), Darling Kindergarten Children dressed up as Dr. Kalam and spoke a few lines about him — The Missile Man, People's President, who loved children and books. They said "Dream big!" with confidence. It was a proud and inspiring moment.

Singing Competition - 15.10.26

Melody filled the atmosphere as students showcased their musical talents through singing and instrumental performances. The competition featured beautiful songs and impressive musical renditions, highlighting their creativity, confidence, and passion. The event provided a wonderful opportunity for young performers to express themselves and celebrate their love for music.

English Elocution (KG) - 16.10.26

The children enthusiastically participated in the English Elocution programme held on 16.10.2026, speaking on interesting topics such as Save Water, Reduce Screen Time, Avoid Plastic, My Favourite Book, and My Experience at School. Through their little speeches and stories, our young speakers showcased their confidence, creativity and communication skills while spreading meaningful messages.

Bible Recitation - 17.10.26

Students participated enthusiastically in the Bible Recitation Competition, showcasing their memorisation skills, confidence, and expressive reading abilities. The participants recited selected Bible verses with clarity and devotion, creating a meaningful experience. The competition encouraged students to develop their reading skills, build confidence, and appreciate the values and teachings of the Bible.

Parents-Teachers Meeting - 17.10.26

A Parents-Teachers Meeting was conducted in our school to discuss students' academic progress, behaviour, attendance, and overall development. Parents actively interacted with teachers and shared their valuable suggestions. The meeting served as a meaningful platform to work together for the betterment and success of every student.

Olympiad Examination - 23.10.26

Students enthusiastically participated in the Olympiad Examination, challenging their knowledge, logical reasoning, and problem-solving abilities. The examination provided an opportunity to test their subject knowledge beyond the regular curriculum, encouraging analytical thinking, independent learning, and healthy competition while building confidence to face future academic challenges.

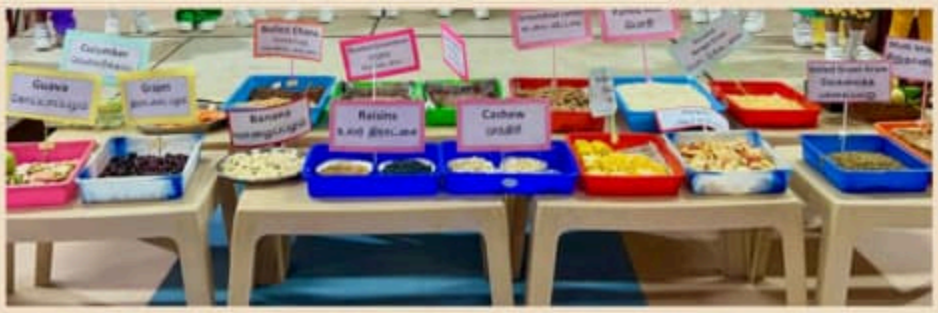

Memory Game (KG) - 23.10.26

Our little champs enjoyed a fun-filled Memory Game! They observed 15 pictures, remembered them and identified the 10 hidden pictures, boosting their memory and concentration skills.

Healthy Food Day (KG) - 26.10.26

Our little ones celebrated Healthy Food Day! Children brought healthy food items from home. They learned about the importance of nutritious food. Eat healthy, stay healthy!

HPV Vaccine Awareness Programme - 29.10.26

An HPV Vaccine Awareness Programme was arranged for school girls to educate them about the importance of vaccination in preventing cervical cancer. The session was led by two volunteers who shared valuable health information and preventive measures.

Bell Cycling Festival - 31.10.26

Bell Cycling Festival – A Ride Towards Fitness and Sustainability

Our school celebrated Bell Cycling Festival with great enthusiasm, transforming the campus into a lively arena of energy, fitness, and environmental awareness. Students from various age groups actively participated in cycling events conducted under different categories, showcasing their skill, stamina, and sportsmanship.

From confident young riders to experienced senior cyclists, each participant displayed determination and joy as they took part in races and fun challenges.

Adding special excitement to the celebration, bicycles were awarded as prizes to the winners of different categories. This meaningful reward encouraged students to adopt cycling as a healthy habit and a sustainable mode of transport.
